Fill out the form below and we will get back to you as soon as possible.

The holistic aspect of crystals and gems means that those things can break down spiritual blockages, enable the free flow of thought and focus on certain parts of the body to heal pain. This is in part because our bodies share a bit of the same mineral makeup, with certain gemstones and crystals. This forms a connection like no other and one that people rely on to feel [Sleep Better with Derila](#), to feel more like themselves in times of uncertainty. Then, there is the scientific side of gemstones and crystals. Where do they come from? How do they grow? Why are they here? Most of what people know as gemstones and crystals are really just minerals in one form or another. The makeup of the minerals, other elements that are present, and temperature all play a part in what the crystal or gemstone looks like. The colors can be different, and the clarity will vary as will the hardness. Some crystals and gemstones, whether you are using them for healing purposes, because they look pretty or to add to your collection, can be very identifiable. Think you can name all of the gems and crystals in this quiz? Take it now to find out! With its iridescent coloring and ocean-themed name, what stone is shown above? The abalone shell protects the abalone, and when it gets smoothed out and shiny by the roughing of ocean waves, its multicolored shell can also protect and heal your spirit. The Native Americans also believe that this shell is sacred and use it to carry messages to Heaven. Which crystal, with its relaxing purple hues, is pictured? Amethyst is the most spa-like crystal, as its relaxing qualities bring zen to any room. It is also commonly used for decor, but the healing qualities include soothing away stress and helping your body give in to innate desires.

The gemstone above, which shares a name with a popular dog for firemen, is what? Spotted Jasper is mustard yellow in color with black spots all over it, hence the name. This stone can be used to lift spirits and ward off negativity. It gets its name from the Greek word for "spotted stone," which makes sense when you look at it. Clear quartz really lives up to its name and can show you clarity in life. It's a universal healer as it links to all Chakras. Basically what that means is no matter you feel like you're going through, having clear quartz around could really make a difference. This stone, also known as fairy dust, might have magical powers. Fuchsite is an emotional healer, so if you feel like you can't get in touch with your emotions, this is the stone for you. Tapping into this healing power can restore spiritual health and will infuse you with a sense of independence.

What is the iceberg-looking crystal shown above? Anhydrite has a calming energy so it's perfect for when you feel like things in your life are a little out of control. This crystal is also a variety of garnet and can come in so many colors! Anhydrite enhances and balances your male energy. Black lava is another emotional healer. It has grounding qualities and becomes it comes from raw energy, it is

considered the stone of rebirth and reinvention of oneself. Being that lava is brought from the depths of the earth to the surface, it makes perfect sense. Which stone, that won't actually bring the force of Zeus upon you, is featured above? Blue storm belongs to the agate family. This is the kind of stone that is best used directly on the body. Place in your palm or on another part of the body, and let the gentle feeling of peace wash over you. This candy-looking stone, shown above, is great with kids.
