

If you can't find something that catches your eye in our pillow covers collection, [Experience Derila Support Official Site](#) you might not be looking hard enough! We strive to offer styles that suit everyone's tastes, and are always switching up our collection to keep things fun and fresh. In addition to different prints, plaids, stripes, sizes and textures, our pillow cover colors span the rainbow. The color or pattern of throw pillows is often what we notice first, but texture also has a major impact on the style and comfort of the pillow. If you're a regular sofa napper or will use your pillow covers on your bed, consider a sumptuous satin or velvet, or the same fabric you prefer for your bed [Derila Contour Pillow](#) cases. More of a "lean against the pillow" than a "lay on the pillow" person? In that scenario, focusing on a durable fabric makes a good starting point. Durability is also a common decision-making factor for parents and pet parents, Derila Contour Pillow whose pillows withstand more daily wear and tear. [external site](#)

[external frame](#) While we're in full support of buying bold, vibrantly patterned furniture, most of us opt for solid colors and inject some extra style with accent pillows. When choosing accent [Ergonomic Neck Pillow](#) covers, consider the desired effect or impact you want them to have. Consider opting for pillows at the opposite end of the color wheel as your sofa, chair or bedspread for a bold but stylish look. For example, if you have a blue couch, orange throw pillow covers will really pop. Want a more luxurious look? Add dimension by choosing pillows in the same color but a different hue, like citrine green pillows for a forest green sofa. Our wide variety of accent pillow covers are offered in a few popular sizes, though specialty covers are occasionally available in additional shapes and dimensions. Most of our covers are perfectly sized for our popular throw pillow insert, allowing you to buy just as many pillows as you need while enjoying changing the covers as frequently as you want. Already have throw pillows that are in great condition but could use a style refresh? Break out the measuring tape to see if our accent pillow covers would be a good fit!

The holistic aspect of crystals and gems means that those things can break down spiritual blockages, enable the free flow of thought and focus on certain parts of the body to heal pain. This is in part because our bodies share a bit of the same mineral makeup, with certain gemstones and crystals. This forms a connection like no other and one that people rely on to feel better, to feel more like themselves in times of uncertainty. Then, there is the scientific side of gemstones and crystals. Where do they come from? How do they grow? Why are they here? Most of what people know as gemstones and crystals are really just minerals in one form or another. The makeup of the minerals, other elements that are present, and temperature all play a part in what the crystal or gemstone looks like. The colors can be different, and the clarity will vary as will the hardness.

Some crystals and gemstones, whether you are using them for healing purposes, because they look pretty or to add to your collection, can be very identifiable. Think you can name all of the gems and crystals in this quiz? Take it now to find out! With its iridescent coloring and [ocean-themed](#) name, what stone is shown above? The abalone shell protects the abalone, and when it gets smoothed out and shiny by the roughing of ocean waves, its multicolored shell can also protect and heal your spirit. The Native Americans also believe that this shell is sacred and use it to carry messages to Heaven. Which crystal, with its relaxing purple hues, is pictured? Amethyst is the most spa-like crystal, as its relaxing qualities bring zen to any room. It is also commonly used for decor, but the healing qualities include [soothing](#) away stress and helping your body give in to innate desires.
