

Trust me, I've navigated through the bustling crowds and hidden gems to uncover the absolute best, so you don't have to. Barneys elevates brunch to a whole new level, serving up indulgent dishes guaranteed to leave you in the best kind of food coma. The menu strikes the perfect balance between classic comfort and creative twists. Stick with a timeless stack topped with butter and syrup, or go bold with The Elvis, loaded with crispy bacon, creamy peanut butter, and caramelized bananas — a sweet and savory combo fit for the King himself. Whether you're catching up with friends or grabbing a bite before a busy day, there's no shortage of spots to satisfy your cravings.
